The Mindray T1 Transport Monitor has been designed to meet the unique challenges of monitoring patients through transport. The T1 offers advanced capabilities including arrhythmia and ST analysis, non-invasive blood pressure, invasive blood pressures, SpO₂, respiration rate and two temperatures, all in a 2.5 lb (1 kg) package. Its ergonomic carrying handle and multiple mounting options offer unprecedented mobility. An optional CO₂ external module gives you added flexibility making the T1 your preferred choice for mobile patient monitoring.
